Performance and Operations Manager/Property Manager / Trainer of IT Systems

(360) 470 0227

Throughout my career I have worked as a frontline support manager handling customer relation and consulting to build on customer satisfaction as the platform of my vocation. As a manager I have built and maintained a team of professionals who have in turn been able to expertly consult and engage customers in all different technology solutions. I have been acknowledged for getting the highest level of productivity while creating an environment that fosters teamwork, increased performance abilities and overall job satisfaction.

WORK EXPERIENCE

AVANTI RESIDENTIAL

Phoenix

December 2018 - Current
